Justin/David/Sarah – Can you review this for accuracy? You can either call me or do tracked changes, whichever is easier for you. Once we are good, I will send it to DOJ. We just want to make sure that the statement **is accurate and factual**. But, I also want it to

make sense to the public. The clearer it is here, the less questions we will need to ask you all later. You can reach me at [Ex. 6 - Personal Privacy](#) if you want to discuss. Sarah, I hope you can **Ex. 5 - Deliberative Process** I am nervous about sending this out too broadly, since we want this to go out tomorrow am. Thank you – Liz
